

Gift of Giving:

A Family Build Day with Habitat for Humanity

This Christmas, we're giving you something truly special—a chance to be a part of something bigger than all of us. Instead of just another gift wrapped in paper, we will be wrapping up a day of hands-on helping with Habitat for Humanity! Get ready to roll up your sleeves, get your hands dirty, and make a real difference in someone's life. We'll spend the day together, working on a home for a family in need, and create memories that'll last far longer than any gift under the tree.
